

Agency/Company: Carmel Area Wastewater District
Location: Carmel, CA
Title: Lab Analyst I or II/Environmental Compliance Inspector
Salary Range: I \$5,654-\$6,873 or II \$6,089-\$7,401
Plus: Excellent benefits and PERS retirement

Desc: Carmel Area Wastewater District is currently recruiting for a Lab Analyst I or II/Environmental Compliance Inspector. Under general supervision, performs a variety of routine to complex standardized chemical, biological, and bacteriological analysis on wastewater, reclaimed water, biosolids, and soil samples; performs a variety of technical tasks relative to conducting and interpreting standard and complex laboratory analysis; coordinates or performs sample collection activities; sets up testing procedures, records data, and analyzes results; assists with field investigations to determine and mitigate wastewater problems; performs the inspection of commercial discharge to the collection system; provides guidance and recommendations to local business owners to ensure compliance with the District's pre-treatment ordinance; assists in coordinating and implementing a source control program; ensures that discharge is in compliance with local regulations and ordinances; and performs related work as required.

Certification: Possession of a Grade I or II CWEA Laboratory Analyst and Grade I or II Environmental Compliance Inspector Certificate. CWEA certification desired, but willing to consider applicants who can obtain both Grade I certificates within 18 and 26 months respectively.

Apply: For full job descriptions and an application, please visit our website <http://cawd.org/employment.html>. In order to be considered as a candidate, a completed job application must be included at time of submittal.

Deadline: Send resume and completed applications to bryant@cawd.org. This recruitment will close on February 24, 2017 at 5:00pm.
