

PROJECT: SMITH & PORTER

DATE: December 1, 2016

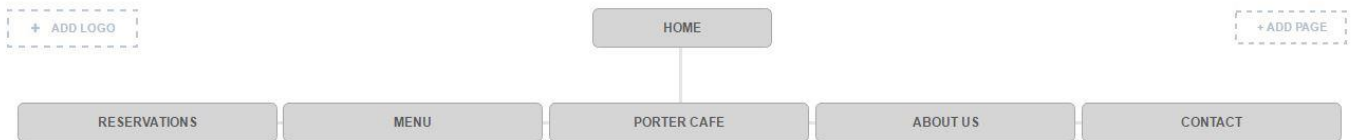

Project Manager: Rob Yang

SIGNOFF DESCRIPTION:

This document is the formal signoff for the site map of your website development project. Approval of the following document is necessary to continue the development process.

APPROVAL:

This document is to approve the following site map document:

Notes:

- The site map serves as the blueprint from which the website will be built.
- Changes following the approval of this site map and functionality will incur additional costs.

Your approval signifies that the site map is on target with project goals & expectations, and authorizes Byte Technology to continue further development.

TERMS:

After approval is received, any scope changes will result in price increases and timeline delays.

ACCEPTANCE:

I approve the designs/concepts provided by Byte Technology and the terms described in this document.

Authorized Signer
